

A Winter Gift

Dropping off information

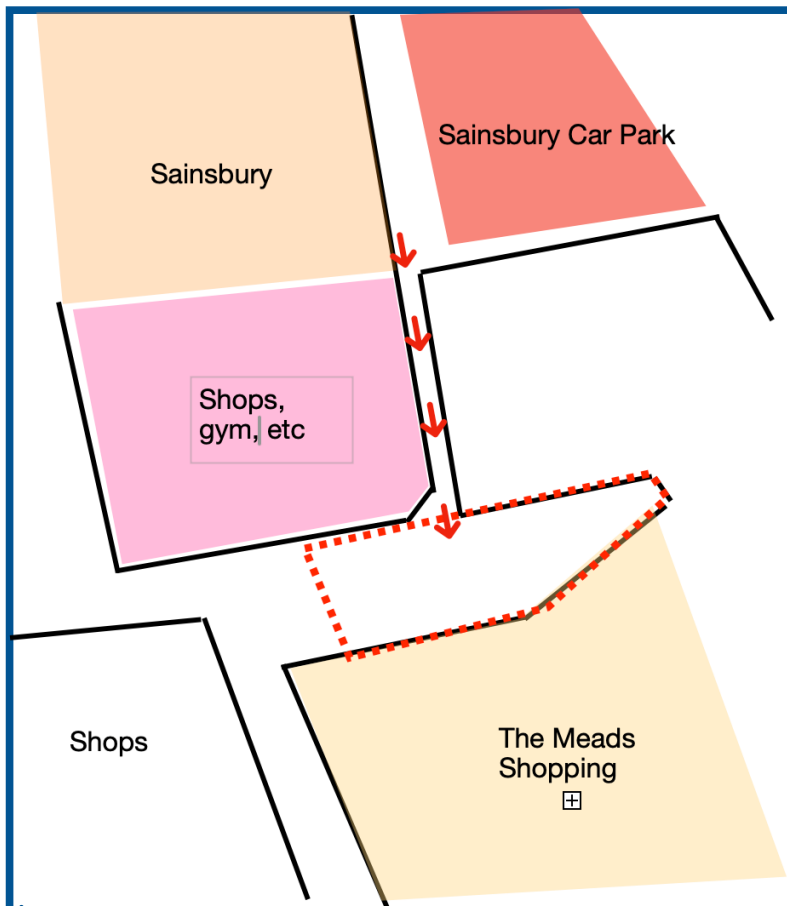

Please 'drop off' your finished boxes at

**The Landing, Farnborough town centre from
10.00am - midday on Sunday December 7th**

You may want to bring the boxes 'flat' and construct them at the location. There will be limited assistance to construct them on the day, so please bring the necessary equipment with you.

It might be good to have a 'practice' before the day.

The nearest carpark is Sainsbury's carpark (see map)

The boxes will be on display to everyone from midday to 4.00pm

There will be craft a activity for the children over this time and story telling sessions from the author of the Winter Tales.

At 4.00pm - 5.00pm you can collect the boxes, hopefully to display at your school.

By prior arrangement we can dispose of your cube if you do not want to keep it. Please let John know by **1st December**.
